Business Studies

Note: This fact sheet does not include the program specific curriculum. To access the curriculum from the program's webpage, click one of the links below the section titled "Degrees Offered."

Earn your Bachelors of Science in Business Studies, either online or face-to-face, and increase your value in the workforce. Newman's Business Studies program is affordable too! As a Career Advantage Program, tuition for this program is less than regular tuition!

DEGREES OFFERED

- Bachelor of Science in Business Studies (online or on-ground)

PROGRAM INFORMATION

Students in Business Studies benefit from liberal arts studies, an applied knowledge of free market economies and traditional business practice -- all while never leaving your home. And, it's affordable! Business Studies is offered at the Career Advantage Program (CAP) rate, which means you pay less.

Newman professors provide a top-quality learning environment using the most modern online and interactive delivery methods. The Bachelors of Science in Business Studies program is a great degree-completion option for working adults who have at least 62 semester hours and who desire a four-year college degree. This program is self-paced, meaning it is as accelerated as you need it to be. Self-paced means *your* pace at Newman.

Newman's Business Studies students receive a strong foundation in accounting, business law, ethics, economics, finance, marketing, international business, management and production. As a Business Studies major, you will sharpen your skills in communications, problem-solving, decision-making, group processes, strategy development, leadership and ethical behavior.

Annual Start Date

Begin this program *anytime* that meets your needs. At other schools you have to wait to enroll when it's convenient for the institution to offer courses. Not at Newman! Enjoy the flexibility that students in the Business Studies program at Newman have and start your program based on YOUR schedule and needs.

Acceptance to the Program

Students may enroll in Business Studies courses when the following requirements are met:

1. Admission to Newman University
2. Successful completion of Pre-requisites
3. Completion of a minimum of 62 credit hours in previous course work
4. Three years full-time work evidence
5. Acceptance into the Business Studies Program

PROMINENT CAREERS

Graduates of the program may move into entry-level jobs in the areas of banking and financial services, retail, health care, government agencies, service industries, not-for-profit organizations and entrepreneurial ventures. If your goal is to move onto to graduate school in business or maybe even to law school, a Bachelors of Science in Business Studies fully prepares you to continue toward your educational goals. Most Business Studies graduates can expect a starting salary in the range of $20,000 to $40,000.

EXPERT, ACCESSIBLE FACULTY

The Business Studies program consists of a group of carefully selected scholarly and professional practitioners who creatively introduce students to emerging theory and current best practices.

Newman Graduates regularly cite close collaboration with talented, dedicated faculty as one of their most meaningful experiences at Newman.

Newman faculty members are more than just leaders in their field. They take an active and personal role in students' studies and progress, forming strong relationships with students through coursework, special projects and informal out of class discussions.

ACCREDITATION

Newman University is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools, www.ncahigherlearningcommission.org.

FINANCIAL AID

With many scholarships, grants, work-study and company tuition assistance programs available, the cost of a degree from Newman University is comparable to that of state universities.
