**Part A** - Complete if you are sponsoring yourself and are 21 years of age or older.

I attest that I will make available at least US \$32,000 for each academic year of study at Newman University. If I am admitted to the university, I will be offered a scholarship package. The scholarship amount is determined at the time of admission and is not currently reflected in the above total, but it will appear on the I-20 document. I also understand that failure to pay and enroll in a full course of study each semester is a violation of the law and may subject me to deportation from the United States.
