Newman MBA Core Courses

- Business Research
- Organizational Behavior
- Accounting
- Managerial Economics
- Marketing Management
- Financial Management
- Strategic Management

Concentration in Finance

Financial management is at the core of value creation for every enterprise. Today's global business environment makes a career in finance exciting, volatile, and rewarding, both professionally and personally.

- Financial Management 2
- Financial Statement Analysis
- Treasury Management
- International Finance

Concentration in International Business

The degree to which business today is interconnected with organizations in countries across the globe cannot be overstated. A noted business writer has said that in the very near future, "there will be two types of CEOs, those who think globally and those who are unemployed."

- International Economics
- International Marketing
- International Finance
- International Business Law

Concentration in Leadership

Leadership is about vision, change, empowerment, creativity, innovation, and inspiring others. Most of all, it is about transforming away from virtually every established norm, model, ideal, myth, and conventional wisdom that guided prior generations of leaders.

- Leadership
- Business and Society
- Negotiation and Influence
- Organizational Change and Development

Concentration in Management

In the 21st century, management is about dealing in a climate of accelerating change and diversity, while addressing the concerns of all the organization's stakeholders: customers, shareholders, employees, and society at large. The Management concentration/track trains students to think in both short- and long-term strategies simultaneously, within a context of high ethical standards.

- Business and Society
- Organizational Change and Development
- Operations Management
- Management Information Systems

Concentration in Management Information Systems

The ability to make appropriate decisions with accurate information in organizations is a key focus for management and a distinctive competitive advantage. This concentration/track enhances knowledge of the technical components preparing managers to procure and utilize the most effective tools currently available.

- Management Information Systems
- Information Resource Management
- Telecommunications Management
- Database Management

EXPERT, ACCESSIBLE

FACULTY

The Master of Business Administration program consists of a group of carefully selected scholarly and professional practitioners who creatively introduce students to emerging theory and current best practices.

Newman Graduates regularly cite close collaboration with talented, dedicated faculty as one of their most meaningful experiences at Newman.

Newman faculty members are more than just leaders in their field. They take an active and personal role in students' studies and progress, forming strong relationships with students through coursework, special projects and informal out of class discussions.

ACCREDITATION

Newman University is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools,
www.ncahigherlearningcommission.org.

FINANCIAL AID

With many scholarships, grants, work-study and company tuition assistance programs available, the cost of a degree from Newman University is comparable to that of state universities.
