

Communication

Note: This fact sheet does not include the program specific curriculum. To access the curriculum from the program's webpage, click one of the links below the section titled "Degrees Offered."

If you are intrigued by the communication habits of people—especially the stories they tell and the meanings they create—the communication major may be perfect for you. Studying communication will give you the opportunity to learn how to communicate effectively and ethically in order to maximize your relationships and careers in a global society. Furthermore, the skills and knowledge you gain will prepare you for the technologically accelerated development of communication in today's society.

DEGREES OFFERED

- Bachelor of Arts in Communication
- Minor in Communication
- Minor in Business Communication

PROGRAM INFORMATION

Each college class blends presentation of theory with application of skills. Teaching methods include conventional class lecture, in-class practicum, oral rehearsals, games, oral and vocal exercises, relaxation techniques, videos, DVDs and Internet technology, videotaping, group and classroom discussion, individual practice, critiques and/or guest speakers. Additionally, out-of-classroom exercises or opportunities for communication experiences or research may be utilized.

Curriculum

The curriculum includes instruction in oral and written communication skills, plus the study of theory and its application. You gain practical work experience through cooperative education, preparing you for careers in a variety of contexts.

Research opportunities

Each communication major is required to gain practical internship experience in the field through cooperative education.

Additional information

Communication studies is a diverse academic discipline that includes the study of Mass Communication, Group Communication, Organizational Communication, Interpersonal Communication, Intercultural Communication, Journalism, and Rhetorical Criticism.

PROMINENT CAREERS

According to the National Association of Colleges and Employers 2013 survey, the top three qualities sought in employees were:

- Ability to verbally communicate with persons inside and outside the organization
- Ability to work in a team structure
- Ability to make decisions and solve problems.

The Newman University communication major enhances our graduates ability to exercise these skills through coursework in Professional Presentations, Business and Professional Writing, Small Group Communication, and Organizational Communication.

Communications students from Newman University have completed internships at many widely known organizations including the following:

- 93.9 Radio Station
- American Diabetes Association
- Atomic Billboards
- Catholic Charities
- Cessna Aircraft Manufacturing
- Children's Miracle Network
- Clear Channel Communication

- Cohlmia Marketing
- Down Set Hit Music

EXPERT, ACCESSIBLE FACULTY

The Communication program consists of a group of carefully selected scholarly and professional practitioners who creatively introduce students to emerging theory and current best practices.

Newman Graduates regularly cite close collaboration with talented, dedicated faculty as one of their most meaningful experiences at Newman.

Newman faculty members are more than just leaders in their field. They take an active and personal role in students' studies and progress, forming strong relationships with students through coursework, special projects and informal out of class discussions.

ACCREDITATION

Newman University is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools,
www.ncahigherlearningcommission.org.

FINANCIAL AID

With many scholarships, grants, work-study and company tuition assistance programs available, the cost of a degree from Newman University is comparable to that of state universities.
