

Counseling

Note: This fact sheet does not include the program specific curriculum. To access the curriculum from the program's webpage, click one of the links below the section titled "Degrees Offered."

The Counseling degree program prepares you to assist people going through difficult times and help them regain their promise. The program prepares you for a career in the delivery of human services to adults, children and adolescents in need. There is a dual emphasis in the curriculum for extensive theoretical study and practical training. Each student is provided with specialized courses in addiction, criminal justice studies and working with children and adolescents.

DEGREES OFFERED

- Bachelor of Science in Counseling

PROGRAM INFORMATION

Internships

All aspects in the counseling process are explored and the student utilizes these skills in progressively responsible internship settings.

Concentrations

Addiction Studies
Child and Adolescent Studies
Criminal Justice Studies

BSRB Requirements for Counselor Licensure

The curriculum for the counseling degree meets the requirements for the LAC required by the Behavioral Sciences Regulatory Board (BSRB) for working in programs serving substance dependent and abusing clients.

Comprehensive look at [licensure](#) which takes effect in July 2011.

PROMINENT CAREERS

Along with the supervision of the faculty, a bachelor's degree in counseling provides the skills and opportunities necessary for a professional career in counseling or for graduate study in counseling, social work and human services.

Newman University counseling graduates have been employed in such varied settings as:

Hospital-based treatment programs
Probation and parole
Private practice settings
Community corrections
Agencies serving youth and families
Programs serving a diverse clientele
Halfway houses for women and children
Programs serving elderly clients

EXPERT, ACCESSIBLE FACULTY

The Counseling program consists of a group of carefully selected scholarly and professional practitioners who creatively introduce students to emerging theory and current best practices.

Newman Graduates regularly cite close collaboration with talented, dedicated faculty as one of their most meaningful experiences at Newman.

Newman faculty members are more than just leaders in their field. They take an active and personal role in students' studies and progress, forming strong relationships with students through coursework, special projects and informal out of class discussions.

ACCREDITATION

Newman University is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools,
www.ncahigherlearningcommission.org.

FINANCIAL AID

With many scholarships, grants, work-study and company tuition assistance programs available, the cost of a degree from Newman University is comparable to that of state universities.
