

EBSCOhost Mobile application downloaded from iTunes requires authorization code, which can be sent from EBSCOhost Web interface. To send the authorization code, please follow the steps below:

1. Access EBSCOhost databases from your library website or within your library using the following URL.

<http://search.ebscohost.com/login.aspx?authtype=ip,url,uid&profile=ehost>

If you are off campus, access through the "Database logon link".

2. At the bottom of the EBSCOhost menu you will see a link that reads as "**EBSCOhost iPhone/iPod Touch Application**", click on this link. You will be asked to enter the email address.

3. Enter your email address, you will receive an authorization key and the instructions to download the application from iTunes store.

4. Access the email from iPod Touch/iPhone/iPad device, install the application and click on authorization key link.
