A grade of “C” or better is required in all courses for this major.

Students who anticipate sitting for the C.P.A. examination should see their advisor regarding specific prerequisite courses for the exam.

The requirements above are specific requirements for this major. You must also fulfill general education requirements and general bachelor’s (or associate or associate of science in health science) degree requirements. Please refer to the Newman University Catalog for details. After admission to Newman University, your Newman advisor can help explain program and university requirements.
