Elementary Education majors are strongly encouraged to have a middle-level/junior high endorsement. Students receiving an endorsement from Newman University must have a minimum of 6 semester hours of content in the endorsement area from Newman, excluding Experiential Learning Credit.

The requirements above are specific requirements for this major. You must also fulfill general education requirements and general bachelor's (or associate or associate of science in health science) degree requirements. Please refer to the Newman University Catalog for details. After admission to Newman University, your Newman advisor can help explain program and university requirements.
